Pick-up Basketball Rules

- Games will be played to 11 by ones (win by 2).
- Game play should consist of 5 players per team. If play begins with fewer players, stop when more players arrive and add players so that game play is 5 on 5.
- There is a two game max and then the winning team must rotate out if other players are waiting.
- All players must abide by gym rules.
- Unsportsmanlike conduct will not be tolerated!
- The YMCA staff has the authority to ask any participant member or guest to leave the gym or revoke gym privileges for inappropriate behavior.

Programs have priority of gym usage unless otherwise noted.

OPEN GYMS are court time for our members to enjoy unstructured activities with friends & family. No organized activities are permitted; ex: Pickleball or Pick-up Basketball. See schedule for designated times for these activities.

Schedule is subject to change. Updated schedules will then be available at the Communication Board and on the website at www.bcfymca.org.

NO FOOD OR DRINKS ARE PERMITTED IN THE GYMS.
